What is BBG (Buyback Guarantee)

BBG is an assurance that you get at the time of purchase of a new or refurbished device towards the value you will get when you sell your device after usage. XtraCover provides an assured buyback value to its registered customers after a period of 3 months. Thus, you get to know the sale price of your device at the time of purchase despite the market fluctuation in Price or Model getting discontinued. You can upgrade to a device by availing of the value paid by XtraCover and just invest in the differential amount.

2. Customer Registration Process
