## BUYBACK GUARANTEE CUSTOMER JOURNEY

### 1. Adding the Offer at Checkout

- Customers must select the Buyback Guarantee offer while checking out.

#### Shopping Cart

The screenshot shows a shopping cart interface. At the top, there is a yellow banner with a gift icon and the text: "Protect your investment for the future! Add Buy Back Plan or The Exciting Offer Waiting for You! (Click to Learn More)". Below this, the cart is divided into two main sections. The left section, titled "Your Products", contains a table with columns for "Price", "Quantity", and "Subtotal". It lists two items: "Samsung Galaxy S21" and "Samsung Galaxy S21". Below the table, there is a section titled "What is BBG (Buyback Guarantee)" which explains that BBG is an assurance that you get at the time of purchase of a new or refurbished device towards the value you will get when you sell your device after usage. Xtracover provides an assured buyback value to its registered customers after a period of 3 months. Thus, you get to know the sale price of your device at the time of purchase despite the market fluctuation in Price or Model getting discontinued. You can upgrade to a device by availing of the value paid by Xtracover and just invest in the differential amount. The right section of the cart has a button labeled "Apply Discount Code".

### 2. Customer Registration Process

- After purchasing the Buyback Guarantee from [www.shopacer.co.in](http://www.shopacer.co.in), the customer will receive a URL (<https://bbg.xtracover.com/>) along with a unique registration code via email from Xtracover.
- Upon clicking the link, a webpage will open where the customer must click on the "Register Now" button.
